

Athens, 3rd July 1991

Dear comrades,

As decided at the last International Anarchist Black Cross Conference (June 1990, Liverpool), this year the International Anarchist Black Cross Conference will be held in Athens, Greece on November 8, 9 and 10. The dates have been fixed after some comrades have expressed their desire to attend the Nov. 17th anniversary of the 1973 students' uprisal.

Accommodation will be provided for all participants to the conference and we will of course send you more details by the end of August, about how you get here, who you are to contact etc.

The agenda of the conference will be open to all and to all subjects, but we think that the elaboration of a rough plan of the discussion will help to have time better arranged. Therefore we'd welcome any suggestions which along with our own will be distributed to all ABC groups by the end of September.

For the time being we think that it would be good to have in our Conference some Anarchist groups which, even if they are not part of the ABC, are interested in supporting prisoners and are in contact with ABC groups. We mainly think of inviting those groups (especially the ones in countries where no ABC exists) to come and participate to the Conference. We think that this will be not only interesting, but also very useful because it will help us to organise better our support to Anarchist and Class Struggle prisoners on a larger scale.

We would like to have your views on that subject (groups- or personal views) if possible before September 1, 1991.
