

FREE THE MURRAYS

DEAR SIR

I am concerned at the length of time NOEL and MARIE MURRAY have spent in prison. I have followed the progress of their case and I know that it came before the Sentence Review Board several months ago. In light of other long term prisoners being released, I would like to know if a release date for Noel and Marie has also been set.

I feel their release is too long overdue and any further time they spend in custody reflects badly on Irish Justice.

I look forward to your reply.

Yours Sincerely
